Ford 5.8 351 Windsor Engines - Atlantic Marine Store

Getting it's name from the Windsor engine plant, the 351W is a favorite among Ford enthusiasts. Often mistaken for a 289 or 302, the Windsor features an entirely different block which is much stouter and has a taller deck height. While the heads will interchange with other small block Ford engines, the 351W requires a unique intake manifold. Our award winning techs can help you get the right ...
