### History The Definitive Visual Guide

History, The Definitive Visual Guide :From the Dawn of Civilization to the Present Day I received the book in best condition thanks to the carefully wrapped protection against shock and wetness. Needless to say that it is an extremely interesting book with graphics, texts and photos, you can learn from, alone, and besides that they are of aesthetical value.

### History: The Definitive Visual Guide (From The Dawn of ...

A Definitive Visual Guide of History? Yep, it's totally that. If you ever wanted to know all about the subject of history, this book provides all the information one could ever want and probably more. The only criticism I really have is that I disagree with how some of the book is written. The book is very questionable and biased in some parts.
