Amélie Nothomb is one of Europe's most successful and controversial authors. She wrote Hygiene and the Assassin, her first published novel, when she was only twenty-five. Winner of the Fournier and René Fallet prizes, it is now published in English for the first time.

Hygiene and the Assassin - Amélie Nothomb

In the case of Hygiene and the Assassin, the book itself is predicated on a tight rhythmic structure that required a pitch-perfect translation—which is exactly what it got. There's not a word that doesn't fit exquisitely with the flavour of the piece, which, to be honest, is sometimes difficult to stomach yet impossible to turn away from.

Review: Hygiene and the Assassin, by Amélie Nothomb ...

Amelie Nothomb's debut novel, "Hygiene and the Assassin," first published in France in 1992, is in hindsight (and by author's own admission) the most sincere projection of her own self into words. Published in English twenty years later, Alison Anderson's translation brings this controversial novel to the non-French public.

Echoes of an Empty Mind: "HYGIENE AND THE ASSASSIN, first ...

Hygiene and the Assassin begins with the Nobel Prize-winning novelist Prémixat Tach, fatally ill and with only two months left to live, deigning to give a select few journalists interviews. Tach is quite the character: eighty-three years old, morbidly obese, bald, he has lived in relative seclusion, apparently obsessed with nothing but his work.

It was originally published in 1992, when Nothomb was 25; this is its first English translation.

HYGIENE AND THE ASSASSIN | Kirkus Reviews

I picked up Amelie Nothomb's "Hygiene and the Assassin" on the assumption that it probably be a quirky book similar to Gourmet Rhapsody. I had what I thought were good reasons for the assumption: both were published by Europa Editions; both were first novels by young women writing in French; and both involved a famous and curmudgeonly protagonist on his death bed searching for some final memory (or closure if you will) as they exited this earthly veil.
