Transmission - IH Construction Equipment - Red Power ...
I have a Allison TT2221-1 in a Scoopmobile, transmission is slipping. Moves slow and very weak, has good oil pressure and clutch release valve is Ok. I think it may be the overrunning clutch that is the problem, can anyone help with information as to removing the converter to gain access to the clutch. Located in Gippsland, Australia Thanks

Case W24B Allison transmission parts | Heavy Equipment Forums
Allison Transmission manufactures a wide range of transmissions for Military vehicles both wheeled and tracked. These transmissions are used by Military operations worldwide. We can supply parts for many of these transmissions however many parts are only available to us for use within the United States and require a Dept. of Defense contract.
