...

Quiet: The Power of Introverts in a World That Can't Stop Talking is a 2012 non-fiction book written by Susan Cain. Cain argues that modern Western culture misunderstands and undervalues the traits and capabilities of introverted people, leading to "a colossal waste of talent, energy, and happiness". The book presents a history of how Western culture transformed from a culture of character to a culture of personality in which an "extrovert ideal" dominates and introversion is viewed as inferior
