Ruins Of Camelot G Norman

Ruins of Camelot is a great, roller coaster tale blending King Arthur with Harry Potter. The story is solid but there were too many times that something astounding saved Gabriella. This was an interesting world to be immersed in but more groundwork in streamlining the events would have made it a five star volume.

Ruins of Camelot: December 2011

Camelot is a castle and court associated with the legendary King Arthur. Absent in the early Arthurian material, Camelot first appeared in 12th-century French romances and, since the Lancelot-Grail cycle, eventually came to be described as the fantastic capital of Arthur's realm and a symbol of the Arthurian world.. The stories locate it somewhere in Great Britain and sometimes associate it ...
