Actuaries bring a special set of skills to their work: Specialized math knowledge. Calculus, statistics, probability; Keen analytical, project management, and problem solving skills

Is this the career for you? - Be An Actuary

Wake up SOA and give us some harder sample questions! I found the sample problems for P and FM to be right on par with the exams, with MLC being only a little bit harder than the samples. Unless I was just so prepared that even though some problems on the actual exams were supposedly tougher, I still saw no significant difference.
