Martocchio, Strategic Compensation: A Human Resource ...

Strategic compensation is the type of compensation scheme implemented to improve the motivation of your people to perform better. It must also have the potential of strengthening your image as a good employer. A good reward scheme has the potential of motivating employees if properly implemented. But it can demotivate if poorly handled.

Strategic Compensation Must Motivate Your Employees

Consider the following: Differentiate between top performers and non-performers and even average performers. And reward them accordingly. Reward top performers only. This may motivate mediocre performers to contribute more. Check the market whether your compensation system is competitive. Clearly ...

Compensation Strategy - Strategic Human Resource

Strategic human resource management is the process of linking the human resource function with the strategic objectives of the organization to improve performance. Attracting and keeping talented and skilled employees is one of the most important challenges organizations face in today's dynamic business world.

Strategic Human Resource Management (SHRM)

Compensation is a vital part of human resource management, which helps in encouraging the employees and improving organizational effectiveness. From a manager's point of view, the compensation package offered to a company's employees is essential not only because it costs money, but because it is likely to be the primary reason the employees work for the firm.
