Reinhard "Teddy" Suhren fired more successful torpedo shots than any other man during the war, many before he even became a U-boat commander. He was also the U-boat service's most irreverent and rebellious commander; his lack of a military bearing was a constant source of friction with higher authority.

Still, it gives one a good impression of U-boat ace Teddy Suhren's character. I have always been impressed by how honorably the U-boat service acquitted itself during the war. Suhren seems to have been more outspoken than most commanders and offers some very amusing anecdotes of how this got him into trouble.

Teddy Suhren, Ace of Aces, is the second book I read written by a German soldier from WWII. It makes you realize that like Americans, there were German military who felt they were doing there patriotic duty and not necessarily were Nazis and/or knew or supported the atrocities committed by the German government.
