The Color Of Home A

The Colour of Home is a beautifully illustrated and moving story of a young boy named Hassan in his first few days at a new school in the United States after fleeing war torn Somalia with his family. He misses the vibrant colours of his previous home in Africa deeply and finds his new home to be very 'grey' in comparison.

The Color of Home by Mary Hoffman - Goodreads

The Color of Home is a story of love, of loss, of digging deep down to the bottom of things until maybe, just maybe, Nick and Sassa find the strength to become whole. Their journey offers a unique, honest glimpse into the life and love of a palpably rare relationship of our time.

The Color of Home: A Novel: Rich Marcello: 9781626523692 ...

"The Colour of Home" (I couldn't get my hands on the version with American spelling--not a big deal) is a beautiful story of a boy named Hassan. He leaves the war-torn country of Somalia and moves to the US. The story captures how he is unable to understand English and express himself in the unfamiliar language in his new classroom.

An exterior paint color does more than up the curb appeal of your house—it also gives guests their first impression of your home. "A good exterior paint color is like a little peekaboo of what's to come inside of the home," says Jessica Gellar of Toledo Gellar. "It sets the stage for what to expect." That's why it's important to pick a shade that speaks to your distinct style and enhances ...

The Best Exterior Paint Colors for Your Home | Martha Stewart

I love that I am able to paint my ceilings the same shade as the walls, this gives my home more design and color instead of the plain white ceilings. My home was built in 1927 and I have textured plaster walls, ceilings and crown molding in my entry way, living room, dining room and the reading area on the main floor.

Today's mustard paint colors and home accessories provide warmth with a jolt of modern energy. However, Nivara Xaykao, associate manager of color marketing and development at Benjamin Moore, says the shade takes careful consideration and expertise to get it right. "The color is very decadent, a stylish alternative to gold," she says.
