### The Old Car Nut Book - Old Car Nut Book

The Old Car Nut Book was designed with the idea that EVERYONE in the old car hobby has a story or two to tell. These are stories from regular Old Car Nuts from across America. Contributors range from people like the average Joe at a car show to collectors and restorers that are very well known and respected in their local communities.

### The Old Car Nut Book: "Where old car nuts tell their ...

The Old Car Nut Book is about people and it gives readers an opportunity to find out more about like-minded people that they may never hear about otherwise. Some of the stories in this book are of people finding garages storing timeless classics, those “barn finds” that have always been sought after, or of rescuing jalopies rotting away in open fields or under overhanging trees and being used as chicken coupes.
