Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

The Study of Liturgy

Liturgy is neither 'historical' nor a collection of prescribed forms for public worship as per Webster's student dictionary. Liturgy is the work of the laity and ministry for their life in the spirit, a real participation in the mystical body of Christ.

The Study of Liturgy - Google Books

In summary, using a liturgy in worship is neither good nor bad. A liturgy's content should be evaluated to determine whether it is biblical, traditions should not be given priority over Scripture, and one should also evaluate the church in which the liturgy takes place.

What is liturgy? Does the Bible say anything about liturgy ...

This is a textbook with an international slant, blending established and young experts, and covering a much wider, and less historical, focus than The Study of Liturgy. This reflects the way the subject has changed, from one based upon a historical narrative to one drawing additionally on the social sciences.

The Study of Liturgy and Worship (Alcuin Club): Amazon.co ...

Liturgy is the customary public worship performed by a religious group. As a religious phenomenon, liturgy represents a communal response to and participation in the sacred through activity reflecting praise, thanksgiving, supplication or repentance.It forms a basis for establishing a relationship with a divine agency, as well as with other participants in the liturgy.
