### Heaven's Vault for PC Reviews - Metacritic

"Heaven's Vault is a piece of interactive storytelling that drops you into a dense mesh of narrative choices. The whole thing's as intricate and inter-connected, perhaps, as one of the tiled abstract patterns that decorate the walls and doorways of the game's Middle-Eastern and North-African-inspired environments... This thing is a wonder."

Chart Creator. This chart calculator uses Tropical Rasis with Sidereal Nakshatras as per the research of Ernst Wilhelm. Ernst Wilhelm studied contradictory statements in old Sanskrit texts that revealed that the Ancient Vedic Astrologers between 0-600 AD had lost the knowledge of precession and as a result introduced errors into their astronomical calculations.
